OVERVIEW

I am eager to join your company as an intern to gain hands-on experience and apply my academic knowledge in a real-world environment. This opportunity will help me enhance my technical and professional skills while contributing to your ongoing projects. I am enthusiastic about learning from industry experts and growing as a future professional.

SKILLS

TECHNICAL

`C` `C++` `Java OOPS` `Python` `DSA` `PHP` `HTML` `CSS` `JavaScript` `SQL` `RDBMS`

TOOLS

`GitHub` `Linux` `Matlab` `Autocad-2D`

SOFT SKILLS

`Communication` `Leadership` `Problem solving` `Attention to Detail`

PROJECTS

GPA Calculator ↗ | ○   (March 2025)

`HTML` `CSS` `JS`

› The GPA Calculator project is a simple yet effective tool that allows students to calculate their Grade Point Average based on their course grades and credit hours. It ensures accuracy and helps users keep track of academic performance in a user-friendly interface. Made using HTML,CSS,JS.

ED-TECH Platform for Underserved Students | ○   (March 2025)

`ML model` `HTML` `CSS` `JS` `API`

› This project is an AI-powered chatbot designed to provide career counseling to underserved kids. It aims to make guidance accessible, personalized, and supportive — especially for students who may not have regular access to mentors or counselors.

Arduino based geofencing↗   (August 2024)

`Arduino IDE` `Advanced IOT`

› Developed an Arduino-based geofence system using GPS and GSM modules to monitor location and trigger alerts upon boundary breaches. Designed for real-time tracking in applications like vehicle security and asset monitoring.

EXPERIENCE

ACM | Marketing Head   (May 2024 - December 2024 | Manipal University Jaipur)

› As the ACM Marketing Head, I led a team dedicated to promoting technical events, workshops, and hackathons to maximize student participation and engagement. My responsibilities included crafting effective communication strategies, managing social media campaigns, designing promotional materials, and analyzing outreach performance. I

collaborated closely with event organizers and technical teams to ensure that marketing efforts aligned with event goals, helping significantly boost ACM's presence and impact on my campus.
